President's Message

Greg Turner/Turner Duran Architects, LP

In case you haven't checked our website lately, or heard from other sources, please start planning to attend this year's Appreciation Awards Banquet. Mark your calendars for Saturday evening, November 12. There are some very special reasons for you to make your plans now.

First, it is the 10th annual occurrence of our Chamber's signature event—our "diamond anniversary!" Second, it will be held once again at the new, expanded Brookwood Community,

which will be outfitted to the hilt in Christmas holiday decorations. And to top it all off, we have an absolutely outstanding keynote speaker, Robert Ivany.

Bob Ivany may be called by many names. He may be referred to as *Doctor* Robert Ivany, PhD and president of Houston's own University of St. Thomas. Or, he may be called *General* Ivany, retired four-star general and former head of the U.S. Army War College. Or, he may be simply be called "Bob," because he is a truly humble man without pretensions. Whatever he is called, he will deliver an outstanding talk to us regarding leadership, a topic that few are more qualified than he to address. We are very fortunate that he has committed to visit with us.

One more thing to include on your calendars - Royal ISD will bestow its annual teacher appreciation awards on Friday, June 3. Our Education Committee chairman, Robert Ormond, will be there to present the award winners with plaques from our Chamber recognizing the achievements of these fine teachers, of whom we are so proud! Please consult the website for more details.

Finally, have a happy Easter celebrating our Savior's resurrection.
