

WEST I-10 CHAMBER OF COMMERCE

May 30, 2007

Membership Levels

Sustaining Member

Dues: \$1,000

Benefits: Sustaining Members are usually larger companies or those companies willing and able to make a larger financial commitment to demonstrate leadership and help the Chamber grow and develop new services. In return for a higher level of investment, Sustaining Members will be listed in a special banner on the website's home page. They will also receive a listing on most chamber web pages with links to their personal web site, prominent recognition at chamber functions, and a prominent listing in most promotional materials created by the chamber. Sustaining members also receive five complimentary copies of all Chamber directories and maps.

Silver Level Member

Dues: \$500

Benefits: Silver level members are usually mid-size companies who are committed to leading the Chamber to growth and development of expanded services. In return for this level of investment, Silver Level Members will receive a listing on most chamber web pages with links to their personal web site, recognition at chamber functions, and a listing in most promotional materials created by the chamber. Silver Level members also receive two complimentary copies of all Chamber directories and maps.

Business Partner

Dues: \$250

Benefits: Business Partners are those companies committed to furthering the Chamber's mission, that do **not** have physical addresses within the Chamber's defined service area. Business Partners also receive a listing on the members page with links to their company web site and details about their business. Business Partners receive one complimentary copy of all Chamber directories and maps.

Business Member

Dues: \$150

Benefits: Business Members are those companies committed to furthering the Chamber's mission, whose firms have physical addresses within the Chamber's defined service area. Business Members receive the same benefits as Business Partners.

Non-Profit Member

Dues: \$75

Benefits: Non-profit organizations can join at a reduced rate. This membership also allows you a place on our web site. Any organization that is a non-profit corporation or a recognized tax exempt 501 C business can join at this level.

Individual Member

Dues: \$75

Benefits: Individual memberships are available to anyone not owning a business who has an interest in the community and is willing to show their support by investing in a membership. Individuals who want to display their membership have the option to be listed on the members page.
